**WELLNESS COURSES** are designed to give members and non-members opportunities to:

- learn more about particular conditions,
- using the best practice in lifestyle modification and exercise
- skills to be able to put the knowledge into practice.

They are conducted by health and fitness professionals who have a passion for helping you to learn.

**WELLNESS WORKSHOPS** are designed to provide the general community with access to the Green Apple educational services to expand their understanding of the role of tailored physical activity in managing multiple conditions. And to enable Green Apple clientele access to extra services to help increase their knowledge and understanding of other aspects of certain conditions and gain maximum benefit from their journey within the Green Apple.
